Project Information

Describe the project and what will be done. Please include why you have chosen the location, what activities you hope to promote, and how the community was involved in the creative process. Please provide pictures of the space and detail its location within the community (Example - vacant lot located one block north of downtown area).

Will the space be accessible to the community most of the time? Describe.

Describe how members of the community can access the space. Can they walk, bike, or take public transit? Is there ample parking for cars?

Placemaking Program Application

Thank you for your interest and excitement in helping to create better communities for those we serve, and enhancing and strengthening the REALTOR® brand throughout our member municipalities. Placemaking is a collaborative, creative, and game changing initiative for everyone involved, and Mainstreet is ready to provide support and guidance in order to achieve a successful outcome and rewarding experience.

In order to be considered, a completed application must be submitted and include the following:

- Photos of the existing site
- Budget, timeline, and permission from the municipality, as well as the permits that will be needed to start and complete the project.
- Preliminary site plan/concept – Not required, but highly encouraged. Simple drawings or sketches will assist in visualizing the project.
- Letters of support from the community. These letters can come from community members, elected officials, community organizations, etc. Not required, but highly encouraged.

Additionally, weekly or monthly updates will be required, depending on the size and scope of the project.
