

2010 Headshot Special for MORE Members

Do you need a new head shot? Maybe you're just starting out and you need a photo for your business cards. Maybe it's time to update. We can help. MORE and I have developed a VIR program to bring you the same high quality business portraits that I have been providing my corporate clients for over 15 years, made available to you at a fraction of the cost.

Each month Miles Boone Photography will set-up a "studio" at one of the MORE offices. We will take your business portrait and supply you with professional high-resolution, color jpeg's, perfect for your business cards, flyers, website, even posters and signs.
