Tough times ahead will create many new opportunities. If you are starting a new business, or trying to grow your business in residential or commercial real estate, this session presents the nine critical strategies you will need to prosper in a new marketplace. From her own business experiences along with her insight from her interviews with leaders including economist, Dr. Linneman, and billionaires, Barbara Corcoran and Sam Zell, she will share an overview of some of the best areas to make money in the next couple of years.
