

Attention Brokers and Agents in the Oswego Market: RWSSC and Tri-Counties Association have been working with the village to allow the limited use of open house signs on the weekends. This has gone very well, but a local inspector gave a very misleading quote to the local Aurora Beacon newspaper and has put this effort at risk. If you would like to support our effort to allow the use of open house signs on the weekends in Oswego please join us at a public hearing on Thursday night, April 28 at 6:00 PM. This is the only item on the agenda and we would like the planning commission to see how many Realtors and homeowners will be effected by this.

The meeting is: April 28 at 6:00 PM at the Public Works Building, 100 Theodore Drive, Oswego.
